We are very proud to announce that Middlestone Business Analysis is now a Xero Partner. Terry Hopper, Middlestone's founder and senior business analyst, completed the Xero Advisor Certification program on 3rd April 2017.XeroIf you haven't heard of it before, Xero is online accounting software for small businesses. It easily handles quotes, billing, expenses, bank reconciliations and payroll. Founded in 2006, Xero has over a million subscribers worldwide and is supported by over 100,000 business advisers (like us!).Xero Advisor Certification programThe Xero Partner program is open to Accountants and Bookkeepers. To achieve certification, accountants and bookkeepers must sit the Xero Advisor Certification program, which covers features of Xero, and consists of:The 4 Core Certification Courses; andAnother 4 Elective Certification CoursesWhat this means for our clientsWe strongly believe in recommending the best possible solution to each of our clients. We are big fans of Xero, but the Xero Partner program doesn't mean we have to exclusively recommend Xero. No, we will always make our recommendations based on the unique needs of our clients.We believe this achievement highlights our commitment to providing the best possible advice to our clients. By giving our team in-depth training on the best software solutions around, we can get to know the packages inside-out - which makes it easier to find a good fit for our clients.For our clients already using Xero, being a Xero Partner means we are qualified to provide support and training, and can help them get the most out of their software.
